RE: Submittal - Final Draft
ACS Feasibility Study Report
Griffith, Indiana

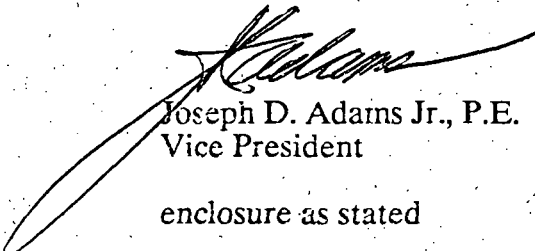

Dear Mr. Hartwick:

Enclosed are five (5) copies of the final draft Feasibility Study Report for the ACS Site in Griffith, Indiana. The report incorporates U.S. EPA and Indiana Department of Environmental Management (IDEM) comments discussed in a July 18, 1991 letter from Robert E. Swale, formerly of U.S. EPA. The report also incorporates responses to comments in your letter of September 30, 1991. Also enclosed is a copy of an October 17, 1991 letter to you from Warzyn which responds to each of your comments.

If you have any questions, please give me a call at (708) 691-5020.

Sincerely,

WARZYN INC.

Joseph D. Adams Jr., P.E.
Vice President
